Dear Josh

I would like to take this opportunity to thank you for the excellent service you have provided, when looking after my business insurance as well as mine and my wife`s car insurance.

It is not easy changing insurance providers as all the information has to be collated, therefore resulting in numerous e-mails going backwards and forwards. This was never a problem to you and any questions or alterations were dealt with the upmost ease and professionalism

It is nice to deal with someone who treats customers the way they would wish to be treat themselves.

Thank you once again, and I will have no hesitation in recommending you to both colleagues and contacts.

Yours sincerely  
**Chris Smith**
